EXCURSIONS & INCURSIONS AUTHORISATION

Excursions are a valued extension of the Djinda Dreaming Vacation Care Program. These outings are child-oriented and designed to support both the learning and entertainment of the children in our care. As part of our commitment to delivering a rich and varied experience, we incorporate a wide range of excursions and incurSIONS that contribute meaningfully to each child's developmental journey.

We are required by Law to obtain authorisation from Parents/Guardians for any excursions and notify where and at what times the excursion will take place. This information is found on the Vacation Care Program attached. We leave Premises between 10:00 am and 10:45 am and return to Premises between 3:00 - 3:30 pm. Please note that some excursions may be shorter however, all excursions conclude by 2.30 pm and the children are back at the service between 3 and 3.30 pm. A Risk Assessment plan will have been conducted on each excursion and will be readily available for all parents/guardians to view on OWNA. The Educator to Child ratio of 1:10 is followed. We are licensed to take up to 50 children on an excursion, and this is the maximum number of children likely to be attending the excursions.

TRANSPORTATION SERVICE AUTHORISATION

PARENT/GUARDIAN AUTHORISATION AND CONSENT:

I hereby give my authorisation and consent for the Service to arrange excursion transportation for my child/ren from the service to the excursion venue and from the excursion venue to the service as detailed in the excursion program that I have booked effective from the date of this authorisation.

In an emergency, I authorise the Service to seek necessary medical assistance from a medical practitioner or hospital, including transportation by ambulance if required and contact the child's emergency contact if I cannot be reached immediately.

I further warrant and acknowledge that;

The Western Australian Education and Care National Regulations 2012- Regulation 102D requires a transport risk assessment to be conducted before the transportation of my child.

Regulation 102D requires our service to receive parent/guardian written authorisation before the transportation of any child.

A risk assessment is to identify and assess any risks that the transportation of a child may pose to the safety, health and wellbeing of the child, inclusive of but not limited to challenging behaviours and/or medical conditions. The risk assessment includes the excursion transport route and any available alternative routes that may be used in an emergency or to avoid traffic congestion. All risk assessments are available for all parents and guardians to sight via the OWNA App. Policies and procedures for transporting children are also available to view via the OWNA App.

Requirements under the Western Australian Law for seat belts or safety restraints are adhered to and my child will be placed in a child car restraint that is suitable for their height and weight during transportation on KaGo Transport Service Vehicles and as per applicable Law for other Charter Bus Services.

The number of children being transported will adhere to the maximum vehicle ratio of passengers – between 10-12 children per van and 20-22 children per 25 seater bus or 47 children per 52 seater bus (dependent on the type of vehicle).

The minimum supervising staff during the excursion will consist of a transport driver, Educators per regulatory 1:10 ratio requirement, and any additional support persons if identified as necessary in the excursion risk assessments.
